4. NOAH CARTER, according to family sources living in June 1985, Noah Carter was the builder of the well known PARKER-CARTER-HERNDON HOME on the west side of Highway 63 several miles north of Wade, just south of Black Creek crossing in what was known as OAK GROVE community, a few miles south of Old Americus, Salem Camp Ground area. The family claims the house is about 132 years old. If this is true it was built about 1853 and if census and bible records are correct NOAH CARTER was 8 years old in 1853. The age of 132 years for the home is probably an estimate or it could of been built by Seborn CARTER, NOAH'S father, in the year 1853. It is well known that the house is very old and well preserved and very special in the history of Jackson County.

Dear brother and sister:

Gladly I embrace the opportunity of writing to you to let you know that we are all well at present, hoping that these few lines will find you in the same state of health. I am not able to satisfy you now way for I have not got to my journey's end but my sister, the lonesome hours I see I am never better satisfied than when I am in some lonesome valley there to make my Morn (?) and shed my briny tears alone.

Naomi desires to be remembered to you both. I want you to write me the first chance, my sister. Wish to see you very much. Brother William and Mary desire to be remembered to you both. Could I receive a letter from your hands I would bath it in tears.

So nothing more I bid you a final farewell. Remember me when it goes well with you. So farewell and farewell!

Dear Children:

These few lines comes in love to you to let you know that we are all well at present, thanks be to God for His mercy; hoping that may find you in the same state of health as we are at present. The old man has a pain in his arm and I am afriad will lose the use of it.

We all held out our journey better than we expected. We have not had one day's sickness since I left you all, thanks be to God for it. Matthew has got a fine son and calls his name Joseph, and William has got a dator (daughter) and calls her name Sabra.

I have nothing remarkable to relate to you. We have bought a little improvement in the piney woods. The range is very good for cattle and hogs. We sold a horse and bought 03 (30?) head of hogs. We settled the sixth of September. We have got a few cows. We have never suffered. As for being satisfied I can't relate. The men seems to be satisfied; as for the two girls they are often in tears for you all and wishes to be with you. Naomy and her family is well at present. My heart is so full I can't say no more, but remain Your loving Aunt and Mother tel Death. We do all desire to be remembered to you all.

Pray don't fail wrighting all opportunities. The last words that ever you git from my mouth I am afearred.

March the 1st, 1813

My Dear Brother and Sister:

I now gladly embrace an opportunity of writing a few lines to inform you that through the Mercies of God we are all in perfect health at present, hoping these lines will find you and your family the same. We have enjoyed our health in a wonderful manner ever since we have been in this country and I feel myself very well satisfied with respect to the country, though the loss of my father and the talk of war together with other things has caused me great trouble and uneasiness of mind, though I have good reason to believe that my loss is his eternal gain. He was taken in October with a pain in his shoulder which continued several weeks and in the time he hurt his leg and a fever fell in it and it was likely to mortify. He was several weeks not able to get out of the house without his crutches, and in a short time after his leg got well he was taken in a lingering condition which continued until he was not able to get out of his bed. He was then taken with fits which continued until he died. He lay several weeks not able to get out of his bed and continued to get weaker until the 2nd of April, in the afternoon, when it pleased God to take him out of this troublesome world.

I think he bore his affliction with the most patience that I ever saw any person in all my life. He told my mother a short time before his death that he was willing to go anytime when it pleased the Lord to take him.

My dear brother and sister, I am sorrow to hear that you are not satisfied where you are. Peter Cone told me that he understood that you wanted to go back to Ogeechee. I would not wish to persuade you to anything against your inclination but it is my opinion that it would be much better for you to come to this country than to go back to an old worn out place. This is a fine fresh country, well watered and healthy, and the land produces very well. It is the opinion of the citizens of this country that it will be the best place of trade that is in America, and if you are disposed to come to this country I want you to write to me as soon as you can to let me know what time you can be ready to start for if nothing happens William or myself will be there in October and we will assist you all we can in moving. I do not think you will ever repent coming. It is only 40 miles from where I live to Mobile where I can buy shugar and coffee on better terms than ever I did in Savannah, and the schooners pass up and down the river and we can get any kind of necessaries from them, and they give a good price for our produce. As for the land I can give you no true account of at this time; some people is of the opinion that we shall have a donation rite but it is not yet knon how we shall get it.

I have nothing more to write to you. I beg to be remembered to all my inquiring friends. I remain your truly affectionate brother until death:

After my kind love and compliments to you I have to inform you that we are all well at present, thanks be to God for it. Hoping these lines will find you in the same.

Sister, we are a long ways apart and it grieves my heart to think of you. I should be glad as brother Griffin is not satisfied if he would come here. I think he would not be sorry for it. If I had my dear sister and her family and a few more I should be satisfied.

We have no preaching with us and I am sorry for it, but I hope you will remember me in your prayer. I should be glad if you would write to me the first chance for I should be glad to hear from you. We have got another son and we call it Wily. I have nothing more to inform you but remain

Dear Brother and Sister:

I have the happiness of informing you that I am in perfect health at present and after a tedious journey of 19 days from the time I left your house I arrived safe at home and found my old Mother and my little children all in perfect health except my little son, he is in a kind of a lingering way but no more than when I left him. I met with no difficulty in my journey except wet weather and a bad road which made it very disagreeable traveling.

It is true that I was a little alarmed in the nation on being informed that the Indians had killed two men on the Alabama a few days before, but after further inquiry I was informed that it was some men going up the river in order to settle on a place ----- -egeay -- (about six words illegible) -- hostile Indians which was the cause of their being killed. I have heard since of some more mischief being done but whether it be true or not I cannot tell. I have not heard of their interrupting any person that was travelling (two words illegible) all that I saw of them appeared to be very friendly.

My old mother desires to be remembered to you and to inform you that she enjoys as great health as she ever had (about five words illegible) has the greatest desire to see you all. My brothers and sisters are all well at this time. My sister Casandra has got a daughter and calls her name Jane. Polly has got a son and calls his name William Barbour.

I have conversed with my brothers and sisters about the money that Mr. Williams is owing us and we have concluded not to do anything more about it until the fall as I expect to have to --- to help you about moving.

I want you to write to me the first opportunity to let me know whether you intend coming to this country or not. If you do I want you to write to me what time you will be ready to start and I will try to come provided to assist you all that I can. Give my compliments to Mr. Fletcher and tell him that I like this country much better than I did before I saw his.

I have nothing more to write to you at present, so I remain,

Dear Brother and Sister:

These lines will inform you that myself and family are in reasonable health at present, hoping these lines will find you and yours enjoying the same.

Dear brother, agreeable to your request when I left you I shall here give you a short account of my journey. The weather being wet and cold and the road very bad made my journey very disagreeable. I had to several times strip of my clothes and swim though I have great reason to be thankful for among all the difficulties and dangers that I met with I enjoyed perfect health all the way and on Monday, the 22nd January, I got safe home and found my family all in good health.

I have not settled the business concerning the note on David Williams yet in consequence of the heirs not being all agreed for it to be settled in the way that we were talking about when I was at your house, and as you wished me to act for you in the division of the Estate I want to send me a power of an attorney as some of the heirs appears to be obstinate, and I wish to have everything done correct.

Tell Mr. Fletcher I did not call on Mr. Lott on my return home but saw a person that lived within six miles of him, who informed me that they were well.

I have nothing more to inform you of at present, only the family connection is all in good health at this time. Please to send the power of an attorney enclosed in a letter directed to Jackson County Postoffice as quick as you can as I wish to have the business settled as soon as I can.

I remain, Your Affectionate Brother,

My brother and sister and families is all in good health at present. Our mother is also well and desires to be remembered to you. She has quit housekeeping and is living about amongst us.

Our crops this year is not very good. We had a storm on the 9 of July that hurt our corn and cotton very much but I hope I shall make a plenty for --- part.

James Wyatt is yet living with me and desires to be remembered to you all.

My dear brother, I thank you for the advice you gave me with respect to having preaching in our settlement. We have had regular preaching this year once in three weeks within 4 miles and once in 6 weeks at my house. Some few has joined our Society and I hope we shall have better times than we have had. The family connection is generally well. We have great reason to be thankful to Almighty God that while sickness has been raging through our land and country we have been favoured in a wonderful manner. This has been the sickliest season that I have ever experienced in this country but very few have died.

I do not know what to write, not knowing whether you have received my last letter or not. The last letter I received from you was mailed at Clinton which caused me to think your mail was discontinued and you had not received my answer. I received your letter dated the 2nd September which gave me great satisfaction to hear that you were all well, and through Divine mercy these lines leave us in good health. We have had no sickness of consequence since I wrote last. Our relations in this country is all in good health at this time.

William and Casandra has had the misfortune to lose their youngest children since I wrote you last. Casandra has had another daughter since and calls her name Rebecca. Polly had a son born last Thursday but it has no name. We have had another son since I wrote to you and we call his name Thomas. My old mother is yet alive and in good health and wishes to be remembered to you all.

We have made very sorry drops this year owing to the great quantity of rain and high freshes. With regard to religion it appears to be on a stand in our settlement. We have only thirteen members in the Society.

Dear Brother and Sister:

I take up my pen once more to let you know that through the mercies of God myself and family with all the family connection is in good health at present. My old mother is yet living and in tolerable good health. She has no particular place of abode; she lives sometimes with one and then another of us. She is at William Goff's at this time.

We have had a very healthy season in the country though Mobile has been very much afflicted with the yellow fever. There has been a great many people died there this summer. We have made tolerable good crops this year.

The last letter I received from you was dated 22nd Sept. 1824, and in consequence of our mail being discontinued I could not answer it as soon as I would have done but it comes now regular and I hope you will not neglect writing as soon as you can as I have a great desire to hear from you.

I feel somewhat dissatisfied with the place where I now live in consequence of the overflowing of the River, though I have a plenty of good land and good trade and enjoy good health, yet the inconveniences occasioned by the freshes makes me feel rather dissatisfied, though I have not determined whether I shall try to move or not. I wish you to write to me whether you have any thought of moving or not. If you have I hope there will be a probability of our getting nearer together.

We have had one daughter since I wrote last, and ~~we~~ call her name Mary. Sister Naomi has one and calls it after herself. Your uncle James Mizell and family was well a few days past. David and Josiah is both married.

And now, my dear brother and sister, I am about to close my letter and if we never should see each other again in this world I have a hope that we shall meet in a better where parting will be no more. Farewell!

I received your letter dated the 9th January a few weeks since and was truly glad to hear from you once more (about six words illegible here) efforts of seeing you a few (about four or five words illegible) you that we are all in good health for which (illegible word) to be ever thankful to Almighty God for His continued mercies. Our relations in this country is generally all well except Sister Casandra; she has been somewhat (illegible word) for some time. With regards to moving I can say nothing more than this: If I could sell my possessions which (illegible) at any time I (illegible about three words) to ~~meet~~ meet you somewhere about the place you mentioned in your letter.

My eldest daughters is both married, Elizabeth to Thomas Wilson from North Carolina and (illegible) James Well from Georgia, Bryant County, (illegible words here) I hope they will (illegible) do (illegible word) inspecting your cattle and that I have (illegible) they do not increase very fast. Dear Brother and Sister:

We received your letter dated the 21st February which gave us great satisfaction to hear from you once more. I now take up my pen to let you know something of our circumstances with regard to our health. It is tolerable good at present. Nancy has been somewhat unwell for sometime but is at this time much on the mend. The connection generally is well at this time. Brother William Goff has lost one of his sons I believe, since I wrote last; he was about eleven years old; he bled to death at the nose. Mother is yet living and in good health. She is with Sister Casandra at this time. I expect her at my house on Wednesday next.

With regard to your cattle they are doing tolerable well. Matthew has had bad luck; two of his cows died last winter; he has only one cow and calf and one two-year old steer left.

I believe I promised in my last letter to give you a more correct account of our Camp-meeting which was held at our meeting house last fall. It commenced on Thursday and continued until Monday morning. There was a great number of serious, well-behaved people and the Lord was truly present from the beginning, but on Sunday night was the greatest time I ever saw; a great number fell to the ground and cried for mercy while others were singing and shouting praises to God. How many was converted I never ascertained, but among those that was converted were my daughter Anna and her husband and Bro. William's eldest daughter was the happy sharers in the Divine blessing; and blessed be God, the work is still going on. A great revival has taken place since that time. We have now a Society of near 30 members. Bro. William's daughter Nancy and William Goff's eldest daughter have joined the Society; also Thomas Wilson my other son-in-law; and I hope the Lord will carry on His work until the whole world shall come ~~him~~ to know Him whom to know is life eternal.

We are all well and through mercy we are all in good health at present except Mother; she has been unwell a few days past with a sick stomach but has nearly recovered. Our relations is generally well.

We received your other letter of the 21st February last which I answered a shor time after but I suppose you never received it; the reason why I cannot account for.

I have nothing of much importance to write to you at present. The drouth has been very fatal among us this year. Our crops is very much injured but I hope we have made a plenty to support on. With regard to our circumstance we are blessed with plenty to live on though times is pretty hard. Money scarce, produce of every kind very low, but the conveniency of a good market enables us to get such necessaries as we need, on very good terms though the City of Mobile has been very much injured a few weeks past by fire which consumed near three hundred houses with a great deal of other property.

My dear brother and sister, I should be truly glad to see you once more in this world but I fear I never shall. With ~~z~~ regard to moving I can say but ~~little~~ little about it. I see no probability of selling my land to any advantage. If you should be so fortunate as to get this letter I hope you will write again in a short time, and direct your letters as you have formerly done. I have nothing more to inform you of at present. Our relations in this country are all in good health. Mother is yet alive and in good health. She is at this time with Sister Casandra.

Our crops are generally pretty good except cotton; that is almost entirely ruined by the rot. We have been very much plagued this year with the blowing-flies. I never saw the like before. They have killed a number of cattle and sheep and injured our hogs very much. They have even blowed our horses and dogs but I hope the frost we had last night will put a stop to them.

I will give you some account of our Camp-meeting which commenced on Thursday the 2nd of October, last, and concluded 9th Monday. Though there was nothing very extraordinary occurred during the meeting it was a very solemn time and I hope much good was done. How many was converted I have not as yet ascertained but I have reason to believe there was a considerable number, and I think I can say of a truth that it was a happy a time among the people of God as I ever saw.

Dear Brother and Sister:

I once more take up my pen to let you know that we are all well and alive and enjoy pretty good health at present, for which we desire to be thankful. We received your letter of the 23rd of April, which gave us great satisfaction to hear from you once more, but I am at a loss to know what is the reason of my letters being miscarried for I can assure you that I have not failed to answer every letter I have received from you.

Our crops is very backward and not very likely. We have had a hard winter and a backward spring. It was a fatal time among our cattle. Five cows out of your little stock is missing this spring, and, I expect, dead. The times is dull in this part of the country but now as much so I expect as where you live. We have the advantage of a good market. I have declined the idea of moving at present as I hope it will not be long before we shall have better times. There is now a town laid out at the mouth of Pascagoula River and several houses put up in the course of a few months past, and there is the largest kind of vessels can come in. I think if you wish to move you would do well to take your horse next fall and come and see us. It would not cost you much.

Sister Jane is still living wit Casandra but I hope not as formerly. I think there has been a change for the better. Mother is yet living and enjoys perfect health. She is at this time with Casandra. Your Uncle James and his wife is in a low state of health. The rest of the family I believe is well. Casandra has had a son since I wrote last, and calls him Moses. William's wife has also had one but not named yet.

I have nothing more to twrite to you at present. I remain as ever,

Dear Brother and Sister:

I have once more taken up my pen to give you some information of our situation if it can be so fortunate to reach you. With regard to our health we have been very much blessed and are in reasonable health at present. Our crops is very sorry by reason of the drought which commenced about the first of July and continued near four weeks, and we are suffering very much for rain at this time. We have had but very little rain in six weeks. Our peas and rice is almost ruined.

Our relation is all in good health, that is, alive, but since I wrote last Sister Naomi has gone to a world of spirits. She departed this life on the 14th October last, I believe in perfect peace, without a struggle or a groan. She has left seven children to lament the loss of a tender mother. Her youngest child was near two years old.

Mother Goff is also taken from us. She departed this life on the 29th of August, 1829. She bore her affliction with great patience and died in the triumphs of faith.

I have received two letters from you of late, one dated 1st of July and the other 2nd of September, and I must confess that I have been neglectful about writing since that time but the reason why I did not write before was I was informed by Mr. Enoch Everett who had just returned from Georgia that he was told you had moved, so that I did not know where to direct my letters until I received yours of the 1st July, but I will try and not give you room to complain of my neglect any more as long as I am able to write or know where to direct my letters.

With regard to moving I have quit the notion and commenced building. I have a pretty good house nearly completed all but the chimney. I think you stated in your last letter that you had thought of moving somewhere and I should be glad if you could come and see this country before you move, though times is pretty hard here at present and money very hard to get, but I think there is prospect of better times in a short time.

Your uncle, James Mizell, and family, is in pretty good health. Mother is yet alive and in good health. I do not know that she has had one day's sickness since I wrote last. She has stayed with William Goff most of the time since Naomi died but she is at this time with Sister Casandra.

Our Camp-meeting will commence the 21st of October and if I should be spared until that time I will try to write again; and if you should be so fortunate as to get this letter I hope you will write again. I could write a good deal more but as I expect to write again in a short time I shall forbear. I remain as ever,

Dear Brother and Sister:

I have once more taken up my pen to give you some information of our present situation. Myself and family with all the family connection is in reasonable health at this time though we have been somewhat afflicted this spring with colds something like the influenza. There has been several deaths of late though none of our relations.

You requested me in your last letter to give you a more particular account of Sister Naomi's sickness and death which was as follows: They had moved some-time before on the west side of Pascagola River where he had bought a tract of land and settled where they were nearly surrounded with water in the time of a freshet which was I think, the cause of her sickness. Brother William, herself and youngest child was all taken sick about the same time. She was I think, taken sick on Sunday and the next Sunday I heard from them I felt very uneasy and told my wife if I lived to see Monday morning I would go and see them but the same day their son Matthew put them in a cart and brought them over the River intending to come to my house but she could not. They got within 3 miles to one of his brother's and sent for me and Brother William. We went and found her quite senseless and almost helpless but in a short time her fever abated and she came to her senses. We stayed until nearly day next morning; Brother William went very early to assist them in to his house. As soon as they came I went to see her. She appeared to be almost clear of a fever and walked several times across the house but in a short time her fever returned with more violence than ever, which in a short time deprived her of senses again. This was on Monday about one o'clock; from that time she spake no more. She lay in this condition until Wednesday evening when she breathed her last without a struggle or a groan. Brother Goff is living at the same place with his little children and doing very well. His eldest daughter is a fine worthy girl and provides well for the children.

Our mother is yet living and enjoys reasonable health. She has been a little unwell this spring but has nearly recovered. She wishes to be remembered to you all.

We have had a very hard winter and backward spring. We have lost a great many of our cattle. I hope you will write again as soon as you receive this letter, if you should be so fortunate as to get it. Remember us to all the family. I remain as ever,

Our relation in this country is generally well except Brother William's son Simeon. He has been unwell a few days. William Goff's family had some sickness this season but they have recovered. Our connection is generally well. Our aged Mother is yet alive and in the enjoyment of good health. She wishes to be remembered to you all. Your Uncle, James Mizell, is yet living but almost overcome by old age so that he is not able to see to his affairs. He lives with his son William.

I have now to give you an account of the death of William Goff's eldest daughter. On Saturday morning the 19th January she in company with my daughter Anna and her husband and another young woman was coming a short distance down the River in a small boat after dark and the boat run under some brush which gave the women a scare and they upset the boat. After being twice taken to the boat she sunk and rose no more. The others held to the bottom of the boat until they folated down the River near a quarter of a mile when a man at the house heard them and went to their assistance and got them to the shore. We have searched for her almost ever since but all in vain. I shall omit saying anything more on the heart-rending subject at present but if you should be so fortunate as to get this letter I will try in my next to give you a true statement of her life and deaith which I think will be a matter of joy to you rather than grief.

It is with a heart of sincere feelings that I do once again commence writing a few lines to you and do confess with shame that I have neglected you though it was not because I had forgotten you by no means. Therefore I beg your forgiveness which I hope you will grant; and intend for the future to try and do better.

When I received your letter Uncle Matthew said he intended writing in a short time which he has not yet done. It is likely he will write when he returns home. He is at this time gone on a journey up to the New Purchase to look at the land near where old Uncle Thomas Carter has settled. Father also is gone with him. It is something like two weeks since they left home.

With regard to the health of the family I can say at this time they are enjoying tolerable good health, though there has been considerable sickness in the family this fall, and generally upon this River. It is thought that the fresh waters being up nearly all the season was the cause of so much sickness.

Father and Uncle has made very sorry crops this year, very indeed. They are almost in the notion of moving if they knew where they could do better.

Dear Uncle and Aunt, I do really feel at a loss for a subject to write on. I have nothing new, strange nor interings to inform you of. For which I am verry sorry for I can only ask again, my dear cousins, the kind favours of a letter from you, but I need not attempt to describe my feelings in those letters. A mixture of sympathy and joy appeared to enlist the feelings of my heart while I could not suppress the tears from my eyes, though unacquainted with you and fear I ever shall my dear uncle and aunt and cousins one and all. What a consolation it would be to us could we see you and enjoy your company, but as that privilege is denied us I would say let us learn in all things to be content and endeavour to live the life of righteous that when we fail on earth we may be prepared to meet at the right hand of the Majesty on high. Yes, my dear cousins, there we shall be done committing our thoughts to paper, where faith will be swallowed in sight, where no more hills and mountains will separate the children of God, where tears will all be wiped away, where afflictions, distresses and separations will be no more, where the Shepherd with His flock shall be completely housed in the heavenly pasture. My dear cousins, you twine about my heart; I fain would see you this evening was it in my power but no, no, I can only say "Go on in the strength of God and He will direct your paths." May God pour out his spirit upon you, and sheild you in this life and finally may we all meet in Heaven is my prayer.

We have never heard from Father Goff since he left us and I fear we shall never see him again. I should be glad if ever you hear from him that you would let us know it, and also write that some of you will come to visit us in a short time. Do not say two or three years; the time is too long. No more at present, but Yours in much love: To Griffin Mizell and Susannah Mizell.

Dear Dear Uncle:

By the kind providence of our Maker I am permitted to commence another letter to you which I done sometime ago or at least I directed it to Cousin Elizabeth in answer to hers which she wrote to me while in Florida. Whether she ever received mine or not it is unknown to me. I have looked with the anxious expectation of receiving one from some of you but never have. I therefore feel resolved to write again though I have nothing of much importance to inform you of, more than we are all enjoying tolerable health at this time with the exception of my dear father; he is not well, and I fear, never will be again. His rheumatic pains have got so severe we think they throw him into high fevers and that very common.

The connection generally is well at this time though there has been considerable sickness among them since I wrote to you. Yes, my dear Uncle, I do with a sorrowful heart inform you of the death of my dear little brother, James Griffin. The Lord hath seen proper in His wisdom to remove him from time to eternity but we are not called to mourn as those who have no hope, because Jesus hath said, "Suffer little children to come unto Me and forbid them not, for of such is the Kingdom of God." Oh, my lovely Griffin is no more; he has no more a seat in the schoolhouse; he is done leading his class and I have no doubt but he is now resting in the Paradise of God. This was a consolation to us while we were taking our last farewell of that lovely face until we meet at that day for which all other days were made.

I will also inform you that sister Nancy was married in the month of February last, and is now living about forty miles below us upon the Bay Beluxy (Biloxi) near the seashore. She married a man by the name of Davis, a nephew of old George Davis who I presume you were acquainted with. There was entire approbation on both sides.

I should be more lengthy was I sure that you would receive this, but as it is uncertain I shall endeavor to conclude. Father says inform you that he is owing you a little; he is ready and willing to settle. He wishes very much for you or some of the family to come out.

Uncle Matthew Carter speaks of moving in a short time though not very far from where he is now living. I wish you to write if you please, as soon as you receive this, and write when some of you will come out.

I saw Aunt Casandra and Aunt Jane a few days ago. They wish very much to be remembered to you all. Father, mother and all the family wishes to be remembered to you in much love.

Dear Uncle:

I have thought for several months past that I would send you a few lines in order to let you know how your friends are getting along in this section of the country, and hope that I shall thereby hear from you and your dear family. As you have always been so good as to answer my unworthy letters.

This will inform you that we are all in the enjoyment of tolerable health at this time, thanks be to God for His blessings. Father and Mother is always complaining and often say that they make no calculation on ever seeing another day without suffering, but I hope that God will sanctify the afflictions of their bodies to good of their never-dying souls. I believe that our connections here are generally well. Aunt Casandra Goff has been sick for a few weeks past but has recovered again. Cousin Harmon Goff has been sick for three or four months past but has nearly recovered.

I saw Uncle Matthew Carter a few days ago and himself and family were all well. We insist upon his writing but complains that he is so much out of practice of that he can scarcely write at all, but will almost promise that he will write once more.

Sister Casandra lives in one mile of us. She ~~lives~~ and her family are well. Sister Sabra is living in Jasper County about one hundred and twenty miles from us. Sister Mary has been staying with her this summer; they were well when we heard from them.

Dear Uncle, I have nothing of any great importance to write. There seems to be no great alteration in the times either with regard to temporal or religious matters. Our Camp-meeting is just over. We had a tolerable good meeting. There were 23 joined the church. Aunt Casandra's last son and son-in-law joined and I have not ascertained how many conversions there were.

Dear Uncle, I hope that you will write. I am anxious to hear from you. I often think of you all with feelings that I cannot well describe for I (fear) that I shall never enjoy the pleasure (of) seeing you in this life, but I hope that we shall meet in a better world than this where parting will be no more, where sickness, sorrows, pain, and death are felt and feared no more. Yes, I feel determined by the grace of God to meet you, but I know too I am liable to err. I am yet in an enemy's land and I want you as long as you recollect the name of your unworthy niece, to pray for me.

Father says tell Cousin Matthew that he must come out and see us. All of the family joins me in love to you and Aunt Susannah and to all of the family. No more at present, but remains,

Dear Uncle:

By the kind providence of God I am again permitted to drop you a few lines.. We received your kind letter written to Father some five or six weeks ago and I intended to have written immediately but having nothing of importance to write I have neglected it until now, and I now avail myself of the opportunity of addressing you these few lines which will inform you that we are all yet alive and are at this time in the enjoyment of tolerable good health. Father and mother feels the effects of old age very sensibly and is always afflicted with pains. Mother for some years past has been troubled with pains in her knees and ankles which hurt her very much.

Elizabeth was married last Oct. to a man by the name of McKey; he as far as I know anything about him, is a very industrious, respectable young man. She lives in about 25 miles of us. William and Mary is now gone on a visit up to Jasper County to see Sister Sabra and I expect will return in a few weeks. I believe that our connection and friends are generally well. Uncle Henry Fletcher has been very sick and like to die but I understand is likely to recover.

I saw some of Uncle Edmond Goff's family yesterday and they were all well. Uncle Edmond has lately been to Texas but does not like the country at all. Uncle Matthew's family I believe, are all well. Cousin Elizabeth Wilson's eldest daughter is married. She was taken about five weeks ago with a severe pain in the head and side and was delirious at times.

We have for our preacher this year Brother Thomas Armstrong, a son of Andrew Armstrong. He has been traveling several years. The people seem to be well pleased with him and I hope, that he may do much good. Andrew Armstrong always inquires about you and wishes to be remembered to you. Dear Uncle, I often think of you and your dear family and think what a pleasure it would be to me if I could only be permitted to see you all once more in this life, but that seems to be out of the question but I have a sweet hope that I shall meet many of you in the climes of glory and it is a cheering thought to me that I shall meet many of my friends where parting will be no more forever.

Dear Uncle, I hope that you will write soon for I ~~xxxx~~ assure you that it is one of the greatest pleasures in the world to us to hear from you all. Remember me in all your prayers. I must now close by subscribing myself,

Dear Matthew:

Your kind letter dated the 28th May last came to hand duly sometime since, which found us all in good health (except myself.) I am and have been for several years alllicted with pains. I should have answered yours sooner but have not been able to find out what to write respecting the amount due you. I have since seen Brother Matthew and he informed me that he held in his hands two hundred and fifty dollars. I have in my hands sixty-four dollars which I have ready for you at any time, making in all three hundred and fourteen dollars. Brother Matthew wishes me to say to you that if you do not come this winter he wants to know when you will come; so you will please inform him so that he can be ready for you.

We are at present enjoying good health. Bro. Matthew and family are all well. My children are all married off except William and Mary. I have seen and heard from them all lately. All are well. I would be very glad to see you all. But I fear that we will not meet in this life. It would be a great pleasure to us for you to pay us a visit; and hope that you will not fail to come and spend sometime with us.

I am sorry to hear that Sister's mind has become impaired. I presume you would wish to hear how we are doing in our poor county. I believe that we have no right to complain. We are making a good living and have good health and peace. Brother Matthew's children are all married except four, William, Griffin, Martha and John.

We are making a pretty good crop of corn, peas and potatoes which is the principal crop raised in this country.

You will perhaps wish to know where all my children that are married are living. John is living a half-mile of me. Casandra is living one mile of me. Sabra is living in Jasper county in this state. Elizabeth is living about 28 miles from me in Green county in this state. Susan is living in Mississippi City (on the seaboard) in Harrison county in this state, about sixty miles from me. My family are all in the Church except John and I hope we are all trying to get to that land of rest that remaineth for the people of God.

We have quite a revival of religion in our circuit. We have had three very good camp-meetings and I hope much good was effected. I hope if we do not meet in this life that we will all meet in Heaven. I hope to meet your dear Mother there where our troubles and trials will all be over.

You must not fail to write as soon as you get this. Remember me to all the family. My family all joins with me in sending our love to you all.

Dear Cousin Matthew:

As father has not filled his paper I have taken up my pen to drop you a line as I have neglected answering your last letter which came to hand some several months after I was married. As I presume you have not heard who I married I will tell you I married a young widower, a local preacher, a very good looking and, I think, a very good man. So you may guess that I think I have done very well. You must not fail to come and see us when you come to Father's.

I neglected to tell you my husband's name, which I will do Now: His name is Wesley G. Evans; he is also Clerk of the Circuit, Probate, and Police Courts of Harrison County. We live in Mississippi City on the seacoast. We are now at Father's. I have been quite sick but am now up and about. We were married on the 30th of January, 1847. We have no children. My husband has a son by his first wife. Excuse the brevity of this note, and write me again and soon and often. I am, as ever,

Dear Cousin:

I have had a disposition to write to you for many years but have neglected doing so until at present. Myself and family are well at present. Our family is small. We have two little girls, age 18 months and the youngest 2 months old. Of the death of Father: He died three years ago last October. Mother is living with me; her health is good with one exception; she is troubled very much with the rheumatism in her feet principally; yet she can get about the place pretty well.

My brothers and sisters are all married some five years ago. Sister Sabra living about 125 miles from me; Susannah about 65; Elizabeth about 30; Sister Mary 5 miles; Cassandra one mile. John is living in 1/2 mile. I have heard from those of them living at a distance not long since. The family are all well with one exception; John has had a very severe attack of the typhoid fever. He was two months unable to get out of the yard but he is improving; he can ride about the place pretty well.

The family connections are all well I believe. Uncle Matthew Carter's youngest daughter Susan died in February last and left a husband and three ~~little~~ little children. Uncle Edmond Goff died about four years ago after lingering some 3 or 4 months. It is hard to tell what his complaint was. Aunt Jane died last night about 10 o'clock; she has been complaining for several years, and about five months ago she began to decline very so that she has not been able to get in & out for eight weeks. Her complaint, dyspepsia I think. The word came to me that she was dead since I commenced writing. We will go the burying this evening. We have had a good many deaths in our county within six months past principally old people.

I saw a letter from you to Uncle Matthew Carter. You desired to know something about the money that was coming to you. I am not prepared to give you the information you could wish. I have in my possession some 65 dollars of the estate; you could have had it 30 years ago as well as now. I expect you could get the balance if you could come after it.

Dear Cousin, I have often (thought) of my relations in Georgia, with a desire to see you all but if it is not our privilege to see each other in the flesh may meet in that land where troubles are not known no more; but remain,

Sincere Cousin,

TO WHOM IT MAY CONCERN:

The following is a collection of the notes I have made in an attempt to determine if my Carter ancestor, Matthew Carter of Bryan County, Ga., is a member of the Carter family of Jackson County, Mississippi. I believe that he might be the son of Isaac Carter, Duplin County, North Carolina, Bulloch County, Ga. and Jackson County, Miss.

I will appreciate help from anyone who might have knowledge of the Matthew Carter, son of Isaac Carter who migrated to Mississippi from Georgia in 1809.

This is my Carter Line:

"MATTHEW CARTER OF S.C.: Formerly resided in Duplin County, N. C., but moved to St. -----Parish, S. C., by 1777(full name of Parish not appearing in record). This residence and former residence shown by deed from Matthew Carter to his son, Isaac both of said parish in S. C., dated December 9, 1777, made to Isaac Daniel of Duplin Co.,N.C. The deed recites that in 1765, the elder Carter made his bond for title to said Daniel and that before that he had already deeded the property to his son, Isaac, then a minor; that Isaac Carter has now arrived at the age of 21, and is willing to join with his father in making proper deed conveying the 400 acre tract in Duplin County. Wittness: Edward Parrish and Matthew Carter, Jr. (Deed Book 6, page 5, Sampson Co., N.C.). The deed referred to from father to son is found in deed book 2, page 457, Sampson County, and is dated April 25, 1758, and recites that it was the same 400 acre tract previously deeded the said Matthew Carter, Sr., by Elias Fort on January 9, 1756. Note: The said Isaac and his brother Matthew Carter, Jr. were both Revolutionary soldiers, and emigrated from S. C., to Bulloch County, Ga. in the 1790's or before, and in 1811 they moved to Jackson County, Miss. The DAR has accepted papers based on the service of Matthew Carter, Jr."

Note by Smith C. Banks:

Isaac Carter was born in 1756 if he had reached his 21st birthday in 1777. Matthew Carter, Jr. witnessed the deed and therefore was also 21 years or older.

From the Bulloch Co. and other Ga. records it seem to me that in Ga. and also in Mississippi, Matthew Carter, Junior of S.C. and N.C. becomes Matthew Carter, Senior.

### The Carter Family in Bulloch County, Georgia

Bulloch County was created in 1796 from Bryan and Screven Counties. Some of the lands in the southeast end of Bulloch County near the line with Bryan County was part of Effingham Co. or St. Matthew's Parish. The people who lived in this area did not know really which county their land was in. They probably recorded deeds in the Bulloch Courthouse rather than Bryan's until better boundaries we defined.

It is in this area along and near the Ogeechee River where the Carter's, Smith's, Bird's setteled. This area was referred in early days as "Ogeechee, Georgia" or "District of Ogeechee". This is above and below the area where present day Highways I-16 and US Highway 80 cross the Ogeechee River. My Banks ancestors came into this area in the 1830's. There are still descendants of these families living here today--almost 200 years later. We know this as the Blitchton and Ellabell communities of Bryan County, Ga.

The following is the front page of a collection of letters that were transcribe by Folks Huxford, Homerville, Ga.:

FAMILY CORRESPONDENCE OF

GRIFFIN AND SUSANNAH MIZELL  
and their son, Matthew

OF TELFAIR COUNTY, GA.  
(Later of Brooks Co., Ga.)

The following papers, mostly letters, are found among the old papers of the late Griffin Mizell and his son Matthew Mizell, now in the possession of Mrs. P.B. Phillips of Quitman, Ga., a daughter of Matthew Mizell.

These copies are made from the originals now in Mrs. Phillip's possession, and are verbatim. Some of the spelling was copied verbatim, but in a number of instances the transcriber did not bother to transcribe the misspelling, but corrected same in the copy.

The Griffin Mizell was form in 1767 and was married in Bulloch County, May 29, 1797, to Susannah Carter, daughter of Matthew Carter of that county. Griffin Mizell was a son of William Mizell who prior to the creation of Bulloch, lived in

Carter 2-74

Burke Co., Ga. and was a native of North Carolina. He died Nov. 23, 1846.

**Matthew Carter** ( father of Mrs. Mizell) was also from North Carolina, and married Casandra Barbour who was a sister to Mrs. Keziah Cone, wife of William Cone, both families coming from North Carolina to Bulloch Co. before 1800. **Matthew Carter** headed a group of his family connection and perhaps including some neighboring families, that moved from Bulloch Co., Ga., to Jackson Co., Miss., in 1811. He did not live long after moving there, departing this life Apr. 2, 1812. We do not know his age but it was apparently about 60 years at his death. His wife survived him and died after 1832--we do not know just when.

**Others** of the family connection moving to Mississippi included the following: Matthew Carter, Jr. and family, William Goff and his wife Naomi Carter Goff, Edmond Goff and his wife Casandra Carter Goff and William Carter, and their respective families and Jane, unmarried. These with Mrs. Susannah Mizell who remained in Georgia, are all the known children (at present) of Matthew Carter, Sr.

Included among them moving to Mississippi were: Isaac and Thomas Carter, brothers to Matthew Carter, Sr. and James Mizell, a brother to William Mizell and Uncle to Griffin Mizell. There were others who moved to Mississippi but William Mizell, brother to Griffin, moved to Russell Co., Ala. COMPILED AND PAPERS COPIED BY: FOLKS HUXFORD,

NOTE BY SMITH C. BANKS: The above named MATTHEW CARTER born in 1788 is the only Matthew Carter that I have found who might fit into our ancestor, Matthew's dates.

Our Matthew Carter:

Died on July 23, 1821

Married approx. 1816 Had two children:

Adeline b. 14 Jan 1817

Mary Caroline b. ca.  
1818-1819

Wife: Hannah Elizabeth Smith

Born: Ca. 1796

(She was approx. 20 years old at marriage.)

Matthew Carter, son of Isaac Carter

Born: Ca. 1788

If he this is our ancestor he would have been approx. 28 yrs old when he married. It is possible that he did not go to Mississippi with his father, but remained in Georgia. Hannah Elizabeth Smith's family was well off by the standards of the day. And she would have had inheritance due her. The Smith family and the Carter family who went to Mississippi all lived in the same general area along the Ogeechee River. They were within 5-8 miles of each other at the farthest point. I have no doubt that the Mississippi Carters are our

Carter 2-76

relatives. If this is not the link, then I have no idea who our ancestor's family could be. I have not checked the Colonial Carters in Liberty County. Some of them did go up to Burke County. They were prominent settlers in Waynesboro, Ga. I still do not feel that they are part of our set of Carters or the Mississippi Carters.

We must check the records of Montgomery County, Ga. for records of Isaac Carter. We see from Bulloch County records that Isaac was living in Montgomery Co. in 1802. Also see what we can find out about Isaac's family in Mississippi. There is always the probability that Matthew Carter, the son of Isaac, did go with the family to Mississippi and lived to a ripe old age.

Mrs. P.E. Smith, Hattiesburgh, Miss. is named Mrs. Prentiss E. Smith, furnished the info on the Isaac Carter family. She might be able to furnish us with more info on Matthew.

Interrogatories propounded by the Court

Int. 1. Where and in what year were you Born.

Ans In Cumberland County North Carolina and according to the best information ever received by me from my friends I was Born in the year 1764.

Int. 2<sup>d</sup> Have you any Record of your age? and if so, where is it?

A. I never had an exact Record of my age but was informed by my friends who professed to be acquainted with my birth and who said they had Children since my age, and whose ages were Recorded, this being the only Channel

through which I could obtain any thing like a correct knowledge of my age  
Int. 3. When were you living when called into service, where have you lived since  
and where do you now live?

Carter 2-10-14

A. When called into service I was living in Cumberland County North Carolina  
and remained there nearly three years after the close of the War, then moved to  
South Carolina Orangeburg District and lived there until the spring of 1810,  
then moved to the State of Mississippi (then a Territory) Pike County where I now  
live.

Int. 4. How were you called into service were you drafted, or were  
you a substitute, and if a substitute for whom?

A. For the first three years I enlisted under Col. Hogan, the last twelve  
months service I was what was called a Ballotted Substitute in North Carolina.  
The Militia of that state then being clasped in the number of twelve in  
a class who had one of each class to enter the service or to send a  
substitute, and I entered the service as a substitute for one of the class.  
Int. 5. State the names of some of the regular officers who were with the troops  
where you served such Continental and Militia Regiments as you can recollect  
and the general circumstances of your service.

A. The first General that I became acquainted with was by the name of  
Francis Nash who was severely wounded by a Cannon Ball at Germantown  
and died in a few days after, afterwards Col. Hogan under whom  
I first enlisted as I was informed took the command of General  
and was placed in Philadelphia and when the North Carolina Troops passed  
through that place he took command of them and marched on with them  
and I was one of his guards during my stay in the service. During the  
second term of service I was with General Green who commanded  
at the battle of the Eutaw Springs and General Marion and his  
troops of horse joined General Green at the same time that Captain  
Dennis Porterfield joined him with whom I was at the same  
time. General Sumpter Cpl. Washington and Lee were in the  
Continental Army with the said General Green.

Int. 6. Did you ever receive a discharge from the service and if so  
by whom was it given and what has become of it?

A. I Recd a discharge for my first Tour of service Col  
Sylvanus Kearney and I also recd an Honorable discharge

For my second time of service but at this time do not recollect  
yet by whom it was signed but was discharged at Bainbridge  
with about one hundred others including officers and privates  
but our discharges were placed in the hands of some of the officers  
and retained until we came to Wilmington North Carolina to  
prevent our dispersing through the Country and save us from  
falling into the hands of the Tories. And the last discharge  
that I rec<sup>d</sup> was given me at Wilmington by Sergeant Jonathan  
Linn who was orderly sergeant of Capt Porterfield's  
State the names of persons to whom you are known in your present  
neighborhood and who can testify as to your character for veracity and truth  
belong of your services as a soldier of the Revolution.

I can refer to my neighbor Sally McHale and the Reverend Joseph Rayburn  
and to many others who can and will testify to my character veracity and truth.  
Sworn to and subscribed in open Court  
the 17<sup>th</sup> day of June 1833.

I. JOHN CARTER (?---10 June 1669) EMIGRATED FROM ENGLAND IN 1649. HE WAS PROBABLY ONE OF THE "DISTRESSED ROYALIST CAVALIERS" WHO SOUGHT REFUGE IN THE COLONY FROM CROMWELL'S FACTION IN CONTROL IN ENGLAND. ONE SOURCE STATES THAT HE WAS PROBABLY A BROTHER OF COLONEL EDWARD CARTER WHO WAS A MEMBER OF THE VIRGINIA COUNCIL IN 1659 AND HAD COME FROM EDMONTON, MIDDLESEX, ENGLAND. JOHN CARTER FIRST SETTLED IN UPPER NORFOLK (NOW NAMSEMOND COUNTY). HE REPRESENTED HIS COUNTY IN THE HOUSE OF BURGESSES SOON AFTER HIS ARRIVAL IN VIRGINIA. IN 1665, HE WAS LISTED AS COLONEL JOHN CARTER, ESQ. CONCILLOR OF STATE. HE WAS GRANTED 4000 ACRES OF LAND FOR TRANSPORTING 80 PERSONS INTO THE COLONY. HE REMOVED TO "COROTOMAN" LANCASTER COUNTY IN 1654 WHERE HE WAS JUSTICE OF THE PEACE OF BURGESS. HE WAS MARRIED SUCCESSIVELY TO ANNE (JANE) GLYNN, WIDOW ELEANOR BROCAS, ANNE CARTER (DAUGHTER OF CLEVE CARTER, A COUSIN), SARA LUDLOW AND ELIZIBETH SHIRLEY. FROM THESE FIVE WIVES, HE HAD A TOTAL OF SIX CHILDREN -- A COMPARATIVELY SMALL NUMBER FOR THIS ERA. MOST PROMINENT OF THE CHILDREN WAS ROBERT (KING) CARTER Sired WITH HIS FOURTH WIFE SARAH LUDOW.

II. ROBERT (KING) CARTER (1663-1732) WAS THE SON OF COLONEL JOHN CARTER AND SARAH (LUDLOW). HE WAS MARRIED TWICE, FIRST TO JUDITH ARMISTEAD IN 1688 AND SECOND TO MRS. ELIZABETH (LONDON) WILLIS. HE HAD A TOTAL OF 12 CHILDREN. BECAUSE OF HIS VAST POSSESSIONS AND GREAT WEALTH, ROBERT WAS REFERRED TO AS KING CARTER. HE SERVED AS SECRETARY OF VIRGINIA AND PRESIDENT OF THE KING'S COUNCIL. HE ERECTED A CHURCH IN LANCASTER AT HIS OWN EXPENSE. HE SERVED ALSO AS SPEAKER OF THE HOUSE OF BURGESSES IN 1697 AND AS ACTING GOVERNOR OF VIRGINIA IN 1726.

III. JOHN CARTER (1690- 31 July 1742) WAS THE FIRST CHILD AND SON OF ROBERT (KING) CARTER AND JUDITH ARMISTEAD AND WAS APPARENTLY NAMED AFTER HIS PROMINENT GRANDFATHER COLONEL JOHN CARTER. JOHN BECAME A LAWYER AND WAS APPOINTED SECRETARY OF VIRGINIA. HE MARRIED ONLY ONCE TO AN ELIZABETH HILL IN 1723 TO WHICH WERE BORN A DAUGHTER AND TWO SONS.

IV. CHARLES CARTER (1732-1806) OF COROTOMAN AND SHIRLEY WAS THE OLDEST SON OF JOHN AND ELIZABETH (HILL). HE FIRST MARRIED MARY CARTER OF CLEVE --- A DISTANT COUSIN--- WHO BORE HIM 8 CHILDREN. HE THEN MARRIED ANNE MOORE ( GRANDDAUGHTER OF GOVERNOR SPOTWOOD OF VIRGINIA) WHO THEN BORE HIM AN ADDITIONAL 12 CHILDREN. THE SECOND CHILD OF ANNE MOORE'S WAS A DAUGHTER ANNE BORN IN 1773 WHO LATER MARRIED GENERAL HARRY LEE OF STRATFORD AND WAS THE MOTHER OF GENERAL ROBERT E. LEE OF CIVIL WAR FAME. CHARLES WAS BURGESS FROM LANCASTER COUNTY 1758-1775 AND A MEMBER OF THE STATE COUNCIL IN 1776.

SOME REPORTS SHOW CHARLES WAS MARRIED THREE TIMES AND HAD 23 CHILDREN

NOTE: SEVERAL GENEALOGISTS STATE THAT OUR ISAAC CARTER WAS A SON OF CHARLES CARTER, BUT I HAVE NOT FOUND PROOF OF THIS SO UNTIL PROVEN JUST CONSIDER THIS PAGE FOR INFORMATION ONLY.

ALSO KEEP IN MIND THAT WHEN DOING RESEARCH YOU FIND NUMEROUS MISSPELLED NAMES (OR BAD PENMANSHIP) MISSED DATES, SLOPPY CENSUS TAKERS ETC.

ISAAC CARTER, WOUNDED AT THE BATTLE OF EUTAW SPRINGS.

ISAAC CARTER, BORN IN CUMBERLAND COUNTY, NORTH CAROLINA IN 1764.

AT A VERY YOUNG AGE, ISAAC ENLISTED IN THE AMERICAN REVOLUTIONARY ARMY AND SERVED FROM FEB. 5, 1777 UNTIL JAN. 1780 AS A VOLUNTEER IN A NORTH CAROLINA REGIMENT.

ISAAC CARTER'S WAR RECORD: VOLUNTEER, N. C. REGT., COL. HOGAN CAPT. JOHN WELCH'S CO. 2/5/1777 - TO WINTER AFTER THEN TRANSFERRED TO CAPT. ROBERT FENNER'S CO., COL. SYLVANUS HARNEY'S REGT. IN BATTLES OF BRANDYWINE, GERMANTOWN, MONMOUTH, AND DISCHARGED LOCKHART'S FOLLY, 30 MILES SOUTH OF WILMINGTON, N. C. ABOUT JAN. 1780. FROM 7/1/1781 to 7/1/1782, HE SERVED IN CAPTAIN DENNIS PORTERFIELD'S CO. OF N. C. MILITIA, A "BALLOTTED SUBSTITUTE" DISCHARGED AGAIN AT BACON'S BRIDGE, N. C.

AFTER HIS FIRST DISCHARGE, HE RETURNED TO CUMBERLAND COUNTY, N. C. AND MARRIED ANN ELIZABETH (NANCY) YOUNG, SUPPOSEDLY DUTCH, AND WAS BORN IN ORANGEBURG DIST. S. C. SHE WAS SHORT, DUMPY, JOLLY, ADEPT, ETC. AND SPOKE DUTCH. SHE DIED AFTER ISAAC, HAVING SPENT HER LAST YEARS WITH HER SON ISREAL. FROM 1785 UNTIL 1810, ISAAC RESIDED IN ORANGEBURG DIST. S. C.

IN THE SPRING OF 1810, ISAAC, LIKE THOUSANDS OF OTHERS FROM THE EASTERN SEABOARD STATES, MOVED HIS FAMILY BY COVERED WAGON TO PIKE COUNTY, MISSISSIPPI. THE FAMILY CAME FROM THE WATTERREE RIVER IN SOUTH CAROLINA THROUGH GEORGIA TO PIKE COUNTY AND FINALLY SETTLED ON THE EAST SIDE OF ROCKY CREEK. ISAAC DIED THERE MARCH 24, 1834, AND IS BURIED ON ROCKY CREEK, NEAR CHATAWA, MISSISSIPPI.

THEIR CHILDREN:

1. William Carter b 1781, S. C.
2. Hardy Carter b 1784, S. C.
3. John Carter b 1787, N. C.
4. Mary "Polly" Carter b 1789, S. C.
5. Allen Carter b 1793, S. C.
6. Redmond Carter b 1795
7. Burrell Carter b 6/3/1796, S. C.
8. Elizabeth "Betsy" Carter b 1799, S. C.
9. DERRELL CARTER b 1799, S. C.
10. Harville Carter b 1/21/1805, S. C.
11. Isreal Carter b 12/15/1807, S. C.

ALL OF THESE CHILDREN MOVED TO PIKE CO. MISSISSIPPI WITH ISAAC.

ALL OF THESE CHILDREN WERE WELL EDUCATED LATIN SCHOLARS, CLASSICAL STUDENTS. HARVILLE, IN PARTICULAR, WAS MUSICALLY TALENTED.

MISSISSIPPI WAS STILL A TERRITORY WHEN ISAAC MOVED THERE AND WAS UNTIL IT WAS ADMITTED TO THE UNION DEC. 10th 1817. 20th. STATE.

NOW FOR MORE OF THE STORY ON ISAAC CARTER. HIS PARENTS ARE UNKNOWN TO ME. THE EARLY DAYS OF THE AMERICAN REVOLUTION HAD THE COLONISTS IN DISARRAY. FAMILIES WERE TORN APART, SCATTERED, FATHERS WERE OFF TO WAR. THE SOLDIERS HAD TAKEN THE FOOD AND THE ANIMALS . THE ONES LEFT BEHIND, THE SOLDIERS KILLED TO KEEP THE ENEMY FROM TAKING. BOSTON'S BLOODY MASSACRE, BOSTON TEA PARTY, LEXINGTON, PAUL REVERE'S RIDE, BUNKER HILL, JULY 4, 1776 DECLARATION OF INDEPENDENCE, CAUSED ISAAC TO GROW UP FAST. AND AT <sup>a</sup>VERY, VERY EARLY AGE HE ENLISTED, AND THEY WERE GLAD TO HAVE HIM.

ISAAC VOLUNTEERED FEB. 5, 1777 AND LOOK AT WHAT A YEAR IN HISTORY ! HE SERVED UNDER GENERAL GEORGE WASHINGTON AND WAS AT THE BATTLE OF BRANDYWINE IN PENNSYLVANIA, SEPTEMBER 11, 1777. THE BRITISH HAD SENT 16,000 TROOPS TO MOVE ON PHILADELPHIA, AND WASHINGTON TRIED TO STOP THEM AT BRANDYWINE CREEK WITH 11,000 MEN. THE BRITISH DEFEATED THEM DECISIVELY. ISAAC WAS THERE. ON OCTOBER 4, 1777, ISAAC WAS WITH WASHINGTON WHEN HE TRIED TO GET REVENGE AT THE BATTLE OF GERMANTOWN. HIS PLANS WENT ASTRAY AT THE CHEW HOUSE AND IT ROUSED THE BRITISH WHO THEN TURNED WASHINGTON'S NEAR VICTORY INTO DEFEAT. THE BRITISH OCCUPIED PHILADELPHIA. GEORGE WASHINGTON AND ISAAC CARTER ENTRENCHED JUST 22 MILES AWAY AT VALLEY FORGE IN DECEMBER OF 1777. WE ALL KNOW THE STORY OF VALLEY FORGE - COLD, VERY SHORT ON FOOD - ONE REPORT STATED OF THE 9,000 THERE, ONE FOURTH WAS UNFIT FOR DUTY BECAUSE THEY WERE BARE FOOT AND OTHERWISE NAKED. SMALLPOX BROKE OUT AND TYPHUS (CALLED THE "PUTRID FEVER") TOOK AN EVEN GREATER TOLL. ONE OFFICER REPORTED "HORSES WERE DYING, FROM WANT OF FORAGE. SOME 500 ROTTING CARCASSES FOULED THE WHOLE CAMP". ISAAC MADE IT THROUGH THE WINTER AT VALLEY FORGE.

GEORGE WASHINGTON TOOK ISAAC ON A MARCH TO CATCH THE BRITISH TROOPS OF 11,000 MEN THAT HAD LEFT PHILADELPHIA JUNE 18, 1788. IT WAS HOT, IT WAS MUGGY, THEY HAD VERY LITTLE WATER. THEY CAUGHT THE BRITISH NEAR MONMOUTH, N. J. AND ON JUNE 28, 1788 THE SWELTERING BATTLE RAGED WITH SEVERAL ATTACKS. WASHINGTON RECALLED THE "EXTREME HEAT OF THE WEATHER, THE FATIGUE OF THE MEN FROM THEIR MARCH THRU 'A DEEP SANDY COUNTRY'. THE FIGHTING ENDED AT DARK AND THE MEN RESTED. THE BRITISH CREPT AWAY ABOUT MIDNIGHT. THE BATTLE COULD BE CONSIDERED A DRAW.

ISAAC CARTER ENDED HIS THREE YEARS AND WAS DISCHARGED IN JANUARY, 1780 HE MARRIED AND HIS FIRST SON, WILLIAM, WAS BORN IN S. C. IN 1781.

Carter 2 - 110

JULY 1, 1781, ISAAC RE-ENLISTED AND SERVED UNTIL JULY 1, 1782 IN CAPT. DENNIS PORTERFIELDS' CO. OF N. C. MILITIA - A " BALLOTTED SUBSTITUTE".

ISAAC CARTER WAS IN THE LAST "PITCHED BATTLE", - WE KNOW NOW, THAT THE AMERICANS WOULD FIGHT IN THIS WAR. ON A HOT, MUGGY DAY, SEPTEMBER 8, 1781, ON A MARCH OF 2,400 MEN TO CHARLESTON, S. C., THEY CAME UPON A BUNCH OF BRITISH FORAGERS, GATHERING SWEET POTATOES NEAR EUTAW SPRINGS, S. C. THEY CAPTURED 100 OF THEM. THE KINGS 2,000 TROOPS FORMED FOR BATTLE NEAR EUTAW CREEK. THEY FOUGHT FOR THREE HOURS. THEN THE AMERICANS WERE DEFEATED BY THEIR OWN POVERTY. HUNGRY AND THIRSTY CONTINENTALS STOPPED TO FORAGE IN THE BRITISH CAMP. THEY SUFFERED NEARLY 500 CASUALTIES IN THE CONFUSION. ISAAC CARTER WAS WOUNDED IN THE ARM.

FOUR OF ISAACS' SONS WERE IN THE WAR OF 1812.

WILLIAM CARTER WAS A LIEUTENANT IN THE 13th REGIMENT MISS.

HARDY WAS A PRIVATE

The name of CARTER is derived from the occupation of "CARTER"--- maker of horse drawn carts. The Norman-French version is "Charette" and the Bible version is "Chariot". The 1611 edition of the Bible spells it "charet".

THE NAME IS DEFINITELY ENGLISH AND FROM THE NORMAN VOCABULARY.

In 1465, The English Parliament attempted to force Irishmen living in England to adopt English Surnames. Many of the McCarthy's did change their name to Carter, but the change did not last, since a century later the English authorities complained the Irish names reverted and were as Irish as ever. A number of Carters returning to Ireland retained the name Carter and immigrated to America.

Carter 2- 113

For years we have searched for the real maiden name of Nancy Carter.  
Wife of M.M. Carter sr. 1828 - 1912

Mary Page a long time researcher of the Cutrer's and the Carter 's  
and a descendant of both , states this is the way it is.  
She lives in Nederland, Texas.

Cutrer is the Anglicized spelling of Couturier , French Huguenot s in  
Craven Co. S.C.. It is pronounced the French Way COO-TOO-RE-AY  
Couturier's still live in S.C. using the old spelling but new  
pronunciation.

First was Daniel I. He had Daniel II. Then Joseph Cutrer"s four  
sons moved to Miss and La. One Joseph (Harvil or Harrell) Cutrer  
married Hannah Thompson. she b. july 4 1806 in Geo. d. may 23 1875  
and bu. in old Patterson Cem. near Stamps, Ark.

Joseph and Hannah had at least two children: Harvey C. Cutrer b. 1826  
and our Nancy b. 1828

Hannah then married Dr. J.W. Covington and they had at least two  
children. Wm. J. Covington and Joseph W. Covington - living in  
Bossier Parish La. in town of Bellevue in 1850

It is possible that Hannah Thompson was connected with the Varnado's  
in Miss. and also the Vernon's. Jeremiah Thompson could have been the  
Father of Hanna. A William Thompson is also mentioned.

## Remembering father

My Father was William Ancrum Carter and he carried a rural mail route out of Hawley, Texas, for more than 34 years.

He started carrying the mail using horses, then Model Ts and Model A Fords and once said that when they put the self starter on the automobile he thought they could not improve it any more. His last one even had an automatic transmission.

He carried the mail during the hard depression times of '30s and saw all the poverty and suffering first hand.

I can remember lots of times when he came in off the mail route he would buy a sack of groceries and take it back to a hungry family on his route.

During the Christmas times he was very touched to see the little children who he knew would not get anything for Christmas because they were poor. He would always buy colorful Christmas candy in a great big box and divide it out into little sacks, and sometimes an apple or orange or there might be a little toy, and he would take it to the children he knew and a lot of the time that is all they got for Christmas.

He retired in the early 1950's. In November 1959 he entered the hospital in Abilene, and we knew he did not have long to live.

For two or three times a day a nurse we did not recognize would come into his hospital room and straighten his bed, move him to make him comfortable, wash his face, comb his hair, wet his lips and very tenderly talk to him. He would try to talk to her but could not.

Before he died on Dec. 1, 1959, we asked the nurse about this and she told me that she worked on the floor above but would come down to see my father during her breaks and before she went home.

She said she lived on his mail route when she was little girl and if it had not been for him she would not have received anything for Christmas.

She said she thought he was Santa Claus.

## Hawley woman was Christmas

Christmas means many things to many people, but for most it often winds up meaning family. I can assure you, for example, that my mother *was* my Christmas. Some of you may recall her. She was Emma Carter and she lived at Hawley for more than 70 years. She died in 1980 when she was over 88 years old. She had eight children and raised seven of us.

We always had a Christmas present but most of all I remember her radiant face when Christmas came around. She was all excitement and I can still smell all that good food that she prepared for days before. When I was little she would tell me Santa was coming and she told me that I should write him a letter and I usually did.

As I grew older, I could feel her anticipation while waiting for her children to bring the grandchildren to her house on Christmas day — and what a meal she would have for all of us. She played no favorites that we could tell and she made a fuss over all the grandchildren.

I was the youngest child and

when I got married, I could feel her question weeks before Christmas — “You *will* be here for Christmas, won’t you?” And today, when I drive up to that old house on the edge of town on Christmas Day, I can still see her coming out the door, wiping her hands on her apron. As soon as I stepped on the porch she would pinch me and say, “CHRISTMAS GIFT!” It happened every time.

My first-born was a boy and I named him after my father, her husband of 50 years. When I saw her and we talked about his name, she cried. And then I knew of her anticipation each Christmas for me to bring my son and my daughter to her house for Christmas. Even after we moved away, we always made it back for Christmas.

Today, were somebody to ask me what I’d like to have for Christmas, it would be to step up on that old porch and have her to pinch me and say, “CHRISTMAS GIFT!” Someday it will happen.
